DISCLAIMER

Please consult your financial advisor and read the prospectus before investing. There may be commissions, trailing commissions, management fees and expenses associated with mutual fund investments. Mutual funds are not guaranteed; their values change frequently and past performance may not be repeated. Except as otherwise noted, the indicated rates of return are the historical annual compounded total returns for the period ended August 31, 2008. The rates of return for periods of less than one year are simple rates of return. All rates of return and performance data include changes in unit value and assume reinvestment of all distributions, and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholders that would have reduced returns. Mutual funds are not guaranteed or covered by the Canada Deposit Insurance Corporation or any other government deposit insurer. For money market funds, there can be no assurances that a fund will be able to maintain its net asset value per security at a constant amount or that the full amount of your investment in a fund will be returned to you. For money market funds, the current yield is an annualized historical yield based on the seven-day period ended on August 31, 2008, and does not represent an actual one year return.
